## 1978

Look to this day  
for it is life  
the very life of life  
In its brief course lie all  
the realities and truths of existence  
the joy of growth  
the splendor of action  
the glory of power  
For yesterday is but a memory  
And tomorrow is only a vision  
But today well lived  
makes every yesterday a memory  
of happiness  
and every tomorrow a vision of hope  
Look well, therefore, to this day!

## Academic Excellence

"Alpha Chi is a co-educational society whose purpose is to promote academic excellence and exemplary character among college and university students and to honor those achieving such distinction. A general honor society as contrasted with a specialized one, it admits to membership all academic disciplines rather than a single area of study. Annually, the Pennsylvania Delta Chapter at York College admits to active membership those juniors and seniors of good character who rank at least in the upper 5% of their classes."

## Mini- Mester in Germany

York College is special. Aside from offering the average list of courses needed to satisfy major requirements, the college in cooperation with the Language Department allows a student to spend the May Minimester in the German speaking countries of Europe. Three-credit hours are given for the course offered every other year. However, much more than credits are obtained by those travelling through Germany, Austria, Switzerland, Northern Italy-Tyrol, and Eastern France. A student obtains a firsthand look at European culture and finds it much easier to learn German in countries where it is being spoken as the native tongue. Three days are also spent in Iceland visiting the ancient Germanic historical sites. The picture on page 11 is a picture of the Midsummer-night's Sun taken in Iceland at midnight by Herr Hosch, during the 1977 minimester.

The cross country squad, consisting of ten men, began practice on Labor Day. The season began just over a week later with a narrow loss to Loyola. After the next meet, a win over Elizabethtown, illness forced Coach Jaquet to absent himself from coaching for several weeks. In the meantime, Coach Achtzehn, assisted by student manager Rick MacIver, kept the team on course. Moving forward from a 3-3 record at the end of September, the team defeated all remaining competitors except powerful Millersville State. The team ended with a record of 13-4. Several times during the season the fifth, sixth, or seventh man on the squad supplied team victory points, prompting Coach Jaquet to remark that "This was probably the best balanced team in York's cross country history." Senior squad members included Walt Hamm, Robert Weiker, and co-captains Steve Dauch and Brian Tonitis.

First-year coach Keith Peterman summed up the soccer team's season as "a year of trials and frustrations." Early in September the young squad won its preseason match against Western Maryland 3-2. In the same game veteran fullback Phil Graybill suffered an injury that prevented him from playing for much of the season. Four games passed before the team scored its first and only season victory, a 2-0 win over Mt. Saint Mary's College. For most of the remaining season, according to Coach Peterman, York's games "were well played defensively," but lacked the offensive drive necessary to score. The soccer team's final record was 1-10; however, the coach feels that much valuable experience was gained which will benefit next year's team.

After two weeks of practice, Coach Reid's field hockey team began its season with a 6-2 win over visiting Loyola. The team's next game, an away match against Franklin and Marshall (the defending conference champions), resulted in York's first setback. Continuing on the road for the next three games, the team won only one match for a record of 2-3 by early October. At home for all but one remaining game, the York women reversed the tide to finish with a 7-4-1 record and fourth place in the Penn-Mar Conference. The high point of the season came in the game against Messiah when the York team came from behind several times to tie the match at 3-3. Because it was a conference game an overtime was played, during which York scored in the last minute to win 5-4. Senior team members included Betsy Boswell and Leslie Brant, the latter competing in her fourth season.

## Men's Basketball

The men's basketball team completed a schedule of twenty-four games to end with a 10-14 record. A three game winning streak early in the season, including a win over Coach Gamber's Millersville alma mater, produced high hopes for the team. By the end of January the team had compiled an 8-6 record, but went on to win only two of its remaining ten games. Seniors on the York team included Al Clark, Lyle Herr, and Scott Bortner. Bortner led the Spartans in scoring, setting a York College record by accumulating over 1300 points during his collegiate basketball career.

The wrestling team completed a tough schedule that included several nationally ranked opponents, to finish with a 9-6 record. In addition, the team placed first in the York Invitational, third in the Millersville Open, and second in the Washington and Lee Invitational. Five York College wrestlers qualified for the NCAA Division III nationals; however, none of them placed. Seniors on the Spartan squad included Jeff Bell, Dave Billig, Stu Freeman, Jeff Hoffman, Ed Vasques, and Tom Weimann.

The women's basketball team completed its most successful year ever. The season began, after a month of practice, with wins in all three December games. After the semester break the team continued its winning ways for three games, but then was stopped successively by Elizabethtown and Messiah. The Spartanettes' only other loss came in a hard fought, 54-56 defeat at the hands of Franklin and Marshall. Mary Calhoun, York's leading scorer, contributed two hundred points toward the team's 10-3 record. In the Penn-Mar Conference, York finished third, tied with both Gettysburg and Messiah.

The Spartan mermen began their season in mid-November and compiled a 2-3 record prior to the semester break. Five weeks without organized practice followed, causing conditioning goals to remain unrealized. Midseason difficulties, however, did not prevent the team from compiling a 10-5 record. Later, at Tri-States, York placed fourth. Two Spartan divers, Jay Johnson and Bill Degnen, competed at the Division III NCAA Nationals in Grinnell, Iowa, garnering 26th, 28th, and 38th place laurels. For next season Coach Massa envisions the expansion of York's swimming program to include a separate women's team.

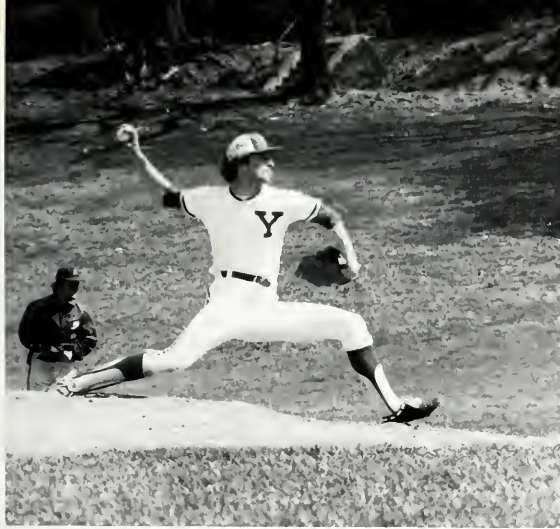

Practice commenced with the beginning of March and remained indoors until a week past York's initial playing date. By mid-April the record of Coach Jaquet's baseball team was a discouraging six wins to five losses. The effects of lingering winter weather, however, did not prevent the York nine from achieving a final 21-9 record. According to Coach Jaquet, "the play of Rick Brenner highlighted the 1978 performance." Rick, a senior, established several new York College season records and ranked ninth in hitting in 1978 NCAA Division III statistics.

## Track and Field

The track and field team's season, expected by Coach Achtzehn to be one of rebuilding, began well with four wins in York's initial six meets. A lack of depth in field events caught up with the team's effort, however, and resulted in no further wins during the season. The team finished with a 4-6-1 record.

Outstanding Spartan cindermen included seniors John Hagemann and Steve Dauch. Hagemann, named "most valuable track and field performer" for 1978, lead the team in scoring. Dauch, for his contribution to team effort, received the "Coach's Award."

## Spirit

The 1978 York College cheerleading squad consisted of six members. The cheerleaders, who supported the soccer, wrestling, and basketball teams, were lead by co-captains Anita Sorice, and Diane Leitzel. Mrs. Georgia Mazzolla served as the group's advisor.

## Tennis

The women's tennis team, consisting of fifteen members, faced stiff opposition from its Penn Mar Conference challengers. The young team directed by Student Coach Al Clark, compiled a season record of no wins and nine losses.

The Spartan linksmen opened their season at Briarwood, the team's new home course, with an April third triple win over Kutztown State, Penn State — Capitol Campus, and Baltimore University. By midseason the team had achieved a 7-1 record. Several late season losses contributed to a final 9-5 record that also included two forfeit wins. The team was consistent in its scoring, averaging about 410 points per match. Returning lettermen included Gene Burnell, Rich Kelly, Mike Ryan, and playing captain Mike Fischer.

## Founder's Day

York College of Pennsylvania's Second Annual Founder's Day was held on October 14 and 15. The two day observance began with a Friday evening convocation, featuring speaker Alvin Toffler, author of "Future Shock."

Saturday's activities included a reception in the College's Special Collections and Rare Books Room and a seminar in the Life Sciences Theater. Here a York Collegiate Institute alumni panel, headed by Dr. Robert Terry, (professor at the college) discussed the comparisons of YCI and YCP. The seminar also included a slide presentation "The 1870's vs. the 1970's" prepared and narrated by Professor Carl Hatch.

## The Reverend Mr. Andrews

York College of Pennsylvania's first permanent memorial to its educational heritage was dedicated October 15, 1977. The statue of the Reverend John Andrews was sculpted by Zoel Burickson, YCP'S sculptor in residence. The bronze bust donated by Mr. Burickson and the descendants of the Rev. Mr. Andrews, rests on a Vermont granite base contributed by Trustee Ray S. Noonan.

In the 1770's, the Rev. Mr. Andrews founded a small, classical school, thus forming a foundation for an educational expertise which continued with the York County Academy, the York Collegiate Institute, the York Junior College, and finally York College of Pennsylvania.

Many of Andrews' descendants were present for the unveiling ceremony, which brought this year's Founder's Day Observance to a memorable close.

We the staff of the 78 Horizon set out last summer to produce a yearbook. Our goal was to utilize all available resources in order to create a book that students at York College would appreciate — one whose pages would reflect York College at its usual very best.

We hope that we have succeeded. The staff would like to thank everyone who assisted us in our efforts — especially our advisor Mr. Frank Mussano and his assistant Cathy Velez; Mr. Ed Patrick, Taylor Representative; Multipics Studios; the Student Senate; Bob Funk of Robert's Studio; Gary Kolczynski, Business Manager; our advertisers; and a special thanks to our technical adviser — Mr. Dennis Zercher.

*Look well, therefore, to this day!*

Look to this day  
for it is life  
the very life of life  
In its brief course lie all  
the realities and truths of existence  
the joy of growth  
the splendor of action  
the glory of power  
For yesterday is but a memory  
And tomorrow is only a vision  
But today well lived  
makes every yesterday a memory  
of happiness  
and every tomorrow a vision of hope  
Look well, therefore, to this day!
